MEMORANDUM FOR: Director, Equal Employment Opportunity

STATINTL

THROUGH

:

Executive Officer to the DDA

STATINTL

FROM

:

Chairman, ADMAG

SUBJECT

: CIA/EEO Affirmative Action Plan - Fiscal
Year 1977

1. We appreciate your considering ADMAG as a potential source of input to the Agency's Affirmative Action Plan. We have reviewed your memorandum and the guidelines for contributions to the Plan and have concluded that as a group we have no common base or experience which permits our making a meaningful contribution. Most members of ADMAG have had very limited experience in EEO matters and within ADMAG, such matters have not previously been discussed. It was agreed that what contribution we might make could be made better through our individual offices.

2. Once again we appreciate your considering ADMAG and we hope our individual efforts through our Offices will be of some help in furthering the EEO cause.
